Earn a STEM Nova Award at iFLY and learn the science behind indoor skydiving! Our program offers:

- A NOVA Award accredited curriculum
- Interactive presentation on real-world application of STEM with our wind tunnel
- Hands-on, immersive student experiments
- In-depth flight training & flight experience
- Customized flight certificate per flyer

iFLY Trip Perks & Requirements:

- All trips are conducted Monday – Friday
- Arrival time choice from: 9am, 930am, or 10am
- 20 child minimum to participate (do not all need to be scouts – can open to siblings/other troops)
- Maximum of 80 flyers (children & chaperones) per day
- Every 20 children = 1 chaperone flies free!
- Additional chaperones = same price as children
- Flight package must be the same for entire group
- Discounted videos available
- Itinerary is custom per each group based on arrival time, overall headcount of flyers (both children & chaperones), and flight package chosen

iFLY Flight Restriction Policy:

- Must be 3 years or older to fly
- Weight limit = 300 lbs | over 260 lbs – must inform us prior
- NO history of shoulder dislocations
- Recommend to consult your primary physician if you have had previous neck, back, or heart issues
- Women who are pregnant or think they are pregnant should not fly
- No hard cast or boot is permitted in wind tunnel
