### **NEW Eagle Project Proposal Reviews during COVID-19, Update as of 5/27/2020**

Having moved into Phase two of the Governor's Plan to reopen North Carolina, the Mecklenburg County Council's Advancement Committee has approved limited in-person reviews of Eagle Projects. Project Proposal reviews will not be at St. Vincent de Paul Catholic Church for the immediate future. The Scout is to follow the normal protocol of requesting a review via email to [Apache.advancement@gmail.com](mailto:Apache.advancement@gmail.com). These requests will be distributed periodically to Eagle Project Reviewers. Once a reviewer has been assigned, the reviewer will contact the Scout (with a copy to another adult to maintain 2-deep leadership) to coordinate a mutually agreed location that allows appropriate social distancing in accordance with CDC guidelines. For those Scouts and Reviewers that have safety concerns with in-person reviews, the Apache District will continue to allow virtual reviews until further notice. The Scout should indicate their preference (or lack thereof) in their request for a project review. The reviewer will contact the Scout and will establish plans to complete the review.

### **More Advancement News**

#### **NEW Eagle Application Packet Processing, Update as of 5/27/2020**

With the Council office and Scout Shop now open with its normal operating hours, a Scout or troop leader may drop off a newly completed Eagle application packet during Scout Shop hours. If the Scout or leader is uncomfortable with entering the Scout Shop, he or she should call the Scout Shop number 704 342 9323 when they arrive at the Council office and let Scout Shop Manager Jennifer Adkins know that they have an Eagle packet to leave. She will come out to their car to retrieve the packet. Laura Bachelder of the Council staff will review the application material for completeness and notify the District Eagle Scout Board of Review Coordinator that the application is ready to be picked up.

#### **NEW Eagle Scout Boards of Review, Update as of 5/27/2020**

Having moved into Phase 2 of the Governor's Plan to reopen North Carolina, the Mecklenburg County Council's Advancement Committee has approved the following: Effective immediately, in-person Eagle Boards of Review can now be resumed if all parties are comfortable and feel safe following CDC guidelines. Virtual Eagle Boards of Review are an option if in-person Eagle Boards of Review are not possible. In-person Eagle Boards of Review are encouraged where the situation allows.

The District Advancement Chairs, along with the District Advancement Committees, will immediately start expediting the backlog of Eagle Scout packets submitted to the Scout Office during the COVID shutdown. Also, Eagle Scout packets ready to be turned in may be submitted to the Scout Office during normal working hours.

If units are restricted from their normal EBOR meeting place for COVID reasons and have no other option, the conference rooms at the Scout Office are available. Please contact your District Advancement Chair, or District Director, to reserve a date and space at the Scout Office for your EBOR.

Utilization of outdoor facilities such as public parks where one might have access to picnic tables and benches is another option.

After an Eagle Board, a District Eagle Board Reviewer can return the signed Eagle application and all letters of recommendation to the Council office by following the same schedule and process.

### **NEW Atlantic Hurricane Season Officially Begins June 1. Be Weather Smart – Have a Plan**

“An above-normal 2020 Atlantic hurricane season is expected, according to forecasters with NOAA’s Climate Prediction Center, a division of the National Weather Service. The outlook predicts a 60% chance of an above-normal season, a 30% chance of a near-normal season and only a 10% chance of a below-normal season. The Atlantic hurricane season runs from June 1 through November 30.”\*

It is important that all of us to be mindful of changing weather patterns in our area. Does your unit and family have a severe weather plan and/or evacuation plan in case of emergencies? History has taught us that we are not immune to these types of storms even if we are inland. BSA, the State of North Carolina, and FEMA all have excellent resources available to us on hazardous weather training. ### **Updates for Rank Advancement/Camping Requirements in COVID-19 FAQ**

BSA National has added temporary changes to rank requirements.

<https://www.scouting.org/coronavirus/covid-19-faq/>

### **Age-Extension Beyond the 18th Birthday for Eagle Requirements during COVID-19**

<https://blog.scoutingmagazine.org/2020/03/25/advancement-during-covid-19-official-details-about-eagle-extensions-and-more/>

With new national guidelines to adapt to COVID-19, age extensions beyond the 18th birthday for Eagle Scout requirements (and 21st birthday for Summit Award requirements for Venturers) are available for current Life Scouts. These extensions include, but are not limited to, hardships in completing Eagle Projects. Many organizations that are currently the beneficiaries, or may be the beneficiaries of planned projects, may have enacted rules that prevent Scouts from completing their projects before their 18th birthdays. In addition, the Scout may not be able to organize sufficient assistance (or may not be able to enlist the assistance of others due to the social distancing requirements) to allow them to meet the supervisory goals of the Eagle project during this period.

National Advancement Committee has delegated to the local council advancement committee and Scout executive permission to approve age-extensions for the Eagle Scout candidate. This applies to Life Scouts who cannot complete Eagle (and Venturing Summit) requirements prior to the 18th birthday because of the corona virus shutdown. Scouts have three months after their 18th birthday to complete any requirements. Extension requests for more than 3 months beyond the youth's 18th (21st for Sea Scouts and Venturers) birthday must be sent to the National Service Center following the process outlined in the [Guide to Advancement](#). Life Scouts may apply for age-extension approval between now and September 30, 2020, for local approval. After that date, National must grant such approvals. Please email all requests for such local approval to Joel Moser, Council Advancement Chair at [joelmoser@earthlink.net](mailto:joelmoser@earthlink.net) by using Form 512-077, available at <https://filestore.scouting.org/filestore/pdf/512-077.pdf>

### **Blue Card and Advancement Report Processing**

Advancement reports (with supporting blue cards and/or summer camp advancement reports) can be mailed in or dropped off at any time in the mail slot at the back door of the office (the mail slot is 1.5 inches tall). Although many troops use Scoutbook for advancement reports, some may use the BSA Advancement form as posted at <https://filestore.scouting.org/filestore/pdf/34403.pdf> . Blue cards are very strongly recommended to all Scouts and to all troops because blue card records can be invaluable to confirm merit badges for Star, Life, and especially for Eagle Boards of Review.

After the Scout Shop receives the reports and cards, processing may take up to 7 to 10 business days. Troop leaders should please include contact information so that the Scout Shop can call when reports and blue cards are ready for pickup. Pickup can occur during curbside Scout Shop hours, currently Tuesdays and Fridays from 12:00 noon to 3:00 p.m. If leaders would like to purchase badges, they can note it with the packet delivery or can email a copy of the advancement report to Scout Shop Manager Jennifer Adkins at [jennifer.adkins@scouting.org](mailto:jennifer.adkins@scouting.org) so that badges can be pulled for curbside pickup. Costs for

badges can be deducted from unit Scout Shop accounts with express permission from an authorized user or can be paid for by credit card.

### **Signatures for advancements**

All advancement reports require at least one signature. If any ranks 1<sup>st</sup> Class and above are listed on the report, 3 signatures are still required. Unit leaders can send e-signatures by email to Council Program Assistant Laura Bachelder at [laura.bachelder@scouting.org](mailto:laura.bachelder@scouting.org)

Conservation Project Opportunity

Although Eagle Projects at the President James K. Polk State Historic Site are currently on hold, there is an opportunity for a Scout Troop to perform a conservation project to assist in the cleanup of the back area of the property. This should be a one to two day project that will involve removal of bulk items and trimming back of overgrown brush that would ideally be performed in late October to early December. Please contact Scott Warren at 704.889.7145, if your Troop is interested in assisting in this project.

They need not start over again with revised requirements and the new pamphlet.

### **Volunteers Needed – Eagle Projects and Eagle Boards of Review**

Last year 120 Scouts in the Apache District earned their Eagle Rank. In addition, a similar number of Scouts presented had their Eagle Project Proposals to members of the District Advancement Committee for their review of the projects prior to the Scout's commencement of their project. As Scouting grows in the Apache District, so does our need for Project Proposal reviewers and Eagle Board reviewers. Project Proposal reviews occur on Roundtable nights on the second Thursday of each month at St. Vincent de Paul Church beginning at 5:00 p.m. Eagle Boards of Review are usually scheduled on troop meeting nights with the respective Scoutmasters. We will provide the necessary guidance and training. For those interested, please email the Apache Advancement Chair, Dean Elledge at [apache.advancement@gmail.com](mailto:apache.advancement@gmail.com).

Eagle Application Packets with Complete Merit Badge Advancement Records Requested Life Scouts and Troop Advancement Chairs: please include a printout of a Scout's advancement record, including all merit badges earned, in the Eagle Application Packet that goes to Council. Before a Scout watches any movie for merit badge work, the Scout must also have permission from their merit badge counselor.

### Fall Recruiting is the Beginning, not the End

As a reminder, Units should recruit year-round. Don't just rely on fall back to school. Use local events in your area, at your Charter Organization, and in the schools.

### Share Your Recruiting Success

Did you do something new or take a different approach? Did the Choose your own night work better than one common night? What didn't work? What could the District/ Council do differently to support your Unit? Share with Andy Waligowski at [awaligowski@icloud.com](mailto:awaligowski@icloud.com) for a chance to win a gift card at November Roundtable!

Attending a National Jamboree is a pinnacle Scouting experience for youth and adults alike. There is nothing like the rush that Scouts and leaders get from spending 10 days with 32,000 Scouts and 6,000 staff from across the USA making new Scouting friends, taking part in fantastic activities, and seeing incredible world-class talent at the Jamboree Arena Shows. Please view the BSA National Annual Meeting (NAM) 2021 National Jamboree video here: <https://vimeo.com/422839545>

½ Venture Crew (with 18 Venturers and 2 adult leaders)

Each BSA unit will have a Scoutmaster and three assistant Scoutmasters. Each Venture crew will have an Advisor and an Associate Advisor.

Adult leader expectations and commitments are:

1. Attend monthly meetings of the Jamboree Steering Committee at the Council office
2. Help interview and classify youth participants for assignment to Jamboree units
3. Attend monthly Scouts BSA National-hosted webinars on the Jamboree
4. Schedule and lead monthly or bi-monthly meetings of their units once participants are assigned to units (planned for October/November 2020)

### **Exploring 2020!**

Exploring is for young men and women 14-20 years old (or 13 and have completed eighth grade). Local organizations matched to the interests of young people in the community using the career interest survey. Engaging with career professionals, young adults gain unique, real-life opportunities to experience varied career choices aiding in a more informed decision about future careers. Many times, these programs provide a hands-on experience, which could enhance financial success, career preparation, and college endorsements.

### **Exploring Career Interest Survey**

If you know a young adult that might benefit from **Exploring**, please have them complete this 5-minute survey: <http://bit.ly/exploringsurvey2020>

For assistance on the survey, please email [Monica.Zeleznik@scouting.org](mailto:Monica.Zeleznik@scouting.org)

### **Visible Commitment to the Welfare of the Community and Organizations**

If your organization or business is interested in starting an Exploring Post or simply wants to learn more about the program and perhaps support as a consultant to one of our Posts, please contact Monica Zeleznik at [Monica.Zeleznik@scouting.org](mailto:Monica.Zeleznik@scouting.org).

Exploring builds familiarity and trust between communities and organizations by engaging youth and creating opportunities for regular and positive interactions, sharing a mutual interest and getting to know each other in a setting that offers a benefit for the community.

Post sponsors benefit by creating a culture of motivated, knowledgeable, and properly educated future employees while creating a positive impact on the education of youth and families.
