Dear Friends,

2020 has been a difficult year for our community, state and nation. The Covid epidemic has changed how we go about our daily lives and has impacted how we work, worship, and spend time with families and friends. For many of the most vulnerable residents in our community, it has meant a loss in family income, unemployment, and food insecurities. However, because of your hard work and efforts, when the pandemic hit in March 2020, Loaves & Fishes was ready to respond. Their warehouse and pantries were full because we had just completed another tremendously successful Scouting for Food effort. In 2020, our units collected over 278,000 lbs. of food that has been distributed to our neighbors in need! And boy was it needed!

The trends are indicating that the first quarter of 2021 is going to be another difficult time for our community. Your cheerful service made the difference in 2020 and we need to keep it going in 2021!

Saturday, February 6, 2021, is "Scouting for Food" collection day in Mecklenburg County Council. Sunday, February 7, 2021, is "Scout Sunday". This special weekend in February is again our opportunity to deliver the promise of the Scouting program. We can again inspire youth and adult leaders, in and out of Scouting, to high levels of service and volunteerism. We can affirm that the BSA is the nation's leading organization in providing community service, and we can heighten our community's awareness of BSA's service commitment.

Scouting for Food is the official "*Good Turn for America*" for the Mecklenburg County Council. As an organization, the Boy Scouts are dedicated to giving back to our communities. Scouting for Food teaches youth the value of helping others.

The 2021 Leader's Guide contains important updates and changes to this year's Scouting for Food program, along with contact information, important dates, history, food drop-off locations, and safety and courtesy notes. I apologize for it coming out late, but like many things this year, the Covid epidemic as created uncertainty around the Scouting for Food operation.

We want to "Thank you" in advance for your participation in Scouting for Food, and we ask for your patience in the event Covid restrictions cause us to make last minute changes to the program. We will do our best to keep you up-to-date.

Yours in Scouting,

Mark Turner

Mecklenburg County Council – Boy Scouts of America Scouting for Food

Background

Studies indicate that more than 50 million Americans, including 17 million children go hungry at some time every month; these studies also reveal that there are more hungry people in America now than in any time in the last twenty five years.

Hunger is a problem we can do something about by working together. Scouting for Food is a starting point. It is an example of our long-standing commitment to community service. Throughout this project the BSA directly helps meet the needs of the hungry, while exposing its members, particularly its youth, to the highest ideals of the Scouting movement through a practical and dramatic experience in the principle of the Good Turn.

BSA's role is to organize the food collection. Locally, the food collected during the "Scouting for Food" campaign is warehoused and distributed, by Loaves & Fishes through their network of food pantries, to our neighbors in need.

History

Thanks to the hard work of many scouts, scouters, and scouting families, the generosity of our friends and neighbors, these are the food totals from recent years:

2020	278,859 lbs.
2019	255,317 lbs.
2018	245,727 lbs.
2017	239,461 lbs.
2016	282,501 lbs.
2015	268,766 lbs.
2014	240,878 lbs.

2021 Goal

Our goal is to continue the campaign growth and collect over enough food to provide food for everyone who comes to the Loaves & Fishes pantries plus to have every Troop, Pack, Venturing Crew, and Explorer Post in Mecklenburg County Council actively participate in Scouting for Food.

Journey to Excellence/ Good Turn for America hours.

Scouting for Food is an annual Boy Scouts of America nationwide effort. Locally it is the Mecklenburg County Council/Catawba Lodge's council-wide service project. The food drive is a great opportunity for scouts of all ages to serve our community and for units to earn Journey to Excellence/ Good Turn for America hours.

<http://www.scouting.org/scoutsource/Awards/JourneyToExcellence.aspx>

Once again, scouts are putting into practice our Scout slogan and one of our most basic teachings: "DO A GOOD TURN DAILY"

Loaves & Fishes

All the food collected will be distributed by Loaves & Fishes through its network of food pantries located throughout Mecklenburg County. Loaves & Fishes provides a week's worth of nutritious groceries, at no charge, to families and individuals in crisis. For more about Loaves & Fishes please visit:

www.loavesandfishes.org

Cash and Online Contributions

Although the contribution of food is preferred, cash contributions are also accepted and will be used to buy needed food. Checks can be written to "BSA-Scouting for Food" and turned in to a Scouting for Food collection site coordinator. This year we are also encouraging online donations. Each dollar equates to 4 pounds of food! Text Scout4Food to 44321 to donate.

Assigned Areas

Each unit is asked to sign up for an assigned area/neighborhoods. Units with overlapping neighborhoods are asked to decide/agree ahead of time which neighborhoods they will cover. If you have any questions about your assigned area, please contact your District Scouting for Food Coordinator.

Service to Others

Scouting for Food is rooted in the very foundation of the Scouting movement. Through initiative and hard work, the Boy Scouts have developed a framework that helps thousands of our neighbors in need. The Scouting for Food Campaign will continue to bring Scout units closer to their neighborhoods, Chartered Organizations, and community by focusing on this stewardship project aimed at addressing the problems of hunger in the communities in which we live and work.

Mecklenburg County Council – Boy Scouts of America Scouting for Food Important Dates

1. **December 2020 Roundtables** – Due to Covid and the lack of in-person meetings, units are asked take the same collection area(s) as 2020. District SFF coordinators have last year's maps with assigned areas.
2. **Before January 2021 Roundtable** - Estimate the number of “door hangers” your unit will need for your collection area. **We are using “door hangers” in lieu of paper bags due to a national shortage of paper bags.**
3. **January Roundtable** - Pick up the SFF “door hangers” your unit will need. We will have reps at all Roundtable meeting locations with “door hangers”. They are much smaller and less onerous to transport than bags. Additional “door hangers” will be available at the Scout office and Loaves & Fishes.
4. **Early January- Announcements** – Ask your charter organization (churches) to place announcements in their January newsletters and/or bulletins. Ask your clergy to include Scouting for Food in their pulpit announcements.
5. **Week of January 30th** - Neighborhood “door hanger” distribution - Please distribute “door hangers” to your assigned neighborhoods (five to seven days before the Scouting for Food Pick up day).
6. **Saturday, February 6th – Scouting for Food 2021** – All units collect food from your assigned neighborhoods and deliver to one of the Scouting for Food (SFF) collection sites.
7. *If your unit is participating in church collections (in addition to your unit(s) neighborhood collections) here are other important dates:*

Sunday, January 31st - Ask members of your congregation to bring food the following week.

February 7th (Scout Sunday) - Gather the “congregational food donations” and take to a designated SFF Sunday collection site.

Mecklenburg County Council - Boy Scouts of America Scouting for Food

Quick Guide

Who: Scouts, leaders, and parents of Mecklenburg County Council Packs, Troops, Venture Crews, and Explorer Posts, and members of Catawba Lodge Order of the Arrow.

What: Scouting for Food is the largest single-day food collection event in Mecklenburg County. It is the number one council-wide “Good Turn for America” service project. On one day thousands of Scouts go door to door collecting non-perishable food items for our neighbors in need.

In 2020, Mecklenburg County Council Packs, Troops and Venture Crews, in cooperation with Catawba Lodge Order of the Arrow, collected and sorted approx. 278,859 pounds of food.

When: Beginning January 30, 2021, Mecklenburg County Council units will distribute SFF “door hangers” asking our neighbors to participate.

On Saturday, February 6th units will go door-to-door to collect bags and boxes filled with non-perishable food.

Due to Covid concerns, we will not be able to have units participating in the “Scouts at the Door” program at Harris Teeter stores this year. We are hopeful this option will return in 2022.

On Sunday February 7th units may collect donated food at local churches, if they are meeting in person.

Where: Throughout all of Mecklenburg County area.

Why: Since BSA’s inception in 1910, members have learned to live the principles of the Scout Oath and Law through community services and helping other people at all times. With that in mind, this is an ideal time to help Loaves & Fishes stock food pantries shelves.

All the food collected will be distributed from one of Loaves & Fishes’ food pantries located in Mecklenburg County where it goes directly to individuals and families in need.

Food Sorting

Due to Covid concerns, no sorting will be done at designated food collection sites this year.

We ask that units drop off food at designated sites. Catawba Lodge members and volunteers will load the food directly into the Loaves & Fishes trailers. The un-sorted food will be transported to the Loaves & Fishes warehouse where it will be weighed and volunteers will sort food (at a later date) in accordance with Covid restrictions and regulations.

Any unit wishing to help sort food may contact Loaves & Fishes directly and arrange for a time to work in the warehouse. Group size and age restrictions are in effect. Please contact Lindsey at Loaves & Fishes directly for details: lindsey@loavesandfishes.org or (704) 523-4333.

TEXT TO GIVE

Participants may choose to give money directly to Loaves & Fishes. This is a great option for those concerned about Covid exposure. Information for how to "TEXT TO GIVE" is included on the "door hanger". Text **Scout4Food to 44321**

Flyers

(These are flyers used in previous years that were attached to bags. You may find them helpful with your marketing efforts, or you may also make your unit-specific flyers.)

1. Flyers:

- Preprinted flyers for Scouting for Food are available electronically.
- On the Scout Sunday flyers, be sure to add your Church name and Pack and/or Troop number in the spaces marked as (XX).
- To create your own flyers:
It is always very effective when troops and packs create their own personalized flyers. Be sure that **Loaves & Fishes** is listed as the recipient and it is helpful to remind people not to include glass items.

NOTE: It is our suggestion that the Scouts do not put their full names on the flyers.. Names are not really required, but if you use names, we suggest only the first initial and last name (for youth safety). Do not list the Scouts home address on the flyer – only generic information such as their Troop or Pack number or where their unit meets. We want to maintain “Safe Scouting”.

Remember - Loaves & Fishes has a suggested priority needs list. The items include canned fruit (especially no sugar added), canned meats, canned pastas, cereal and low or no sodium canned vegetables.

Getting the Word Out – We Need Your Help!

Social Media is one of the best ways to get the word out that Scouting for Food is coming to your neighborhood.

So many neighborhoods have a dedicated **neighborhood Facebook page** as well as **Next Door** pages, making it easy to alert neighbors that Scouts will be coming to drop off door hangers with information about Scouting for Food and then reminding them to put their bags out for pick up by 9am Scouting for Food Saturday.

If you are collecting in your neighborhood, please take a minute to post on your own neighborhood pages and ask the parents in in your units to do the same for their neighborhoods. Adding a photo of the door hanger, scouts from your unit putting them out, or a full bag out on the porch ready for pick up would all be a great way to catch neighbors' attention.

Then feel free to add something along the lines of:

It's time for Scouting for Food! Be on the lookout for a door hanger with information about Scouting for Food to arrive on your doorstep this week. Scouts from Troop xx will begin dropping them off in the neighborhood starting Monday. Simply fill a bag or box with nonperishable food items such as canned fruit (especially no sugar added), canned meats, canned pastas, cereal and low or no sodium canned vegetables and leave out for pick up by 9 am Saturday, February 2. All food donated will go to feed hungry neighbors in need through Loaves & Fishes!

For a bag pick up reminder post:

Don't forget to leave a bag or box filled with nonperishable food items on your doorstep by 9am this Saturday for Scouting for Food. Help feed hungry neighbors in need @loavesfishesnc @meckbsa. Thank you!!

And please tag Loaves & Fishes @loavesfishesnc and Mecklenburg County Council, Boy Scouts of America @MeckBSA in your posts.
