Our Mission

To prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law.

About Cub Scouting

There's a Cub Scout pack near you. A pack is a group of elementary school youth divided by age into dens. Each den spends the year working through weekly adventures to achieve awards. Each den and pack is led by trained adult volunteers.

Time and Money

Most Cub Scout dens meet for one hour each week from September through the end of the school year with additional summer activities available. Many offer additional weekend activities, such as camping, field trips and service projects. Most packs offer flexible fee structures and fund raising opportunities to offset registration fees. Scouting is a great value for the money.

Youth registration fees will be collected at open house.

Join Cub Scouts!!

Cub Scouting is great for our youth, family and community. We encourage you to join us for one of our open houses being held from the 13th-21st of September, (either in person or virtually). The list on the next page has the units hosting open houses broken down by date, time, and geographic location.

White: Northern Mecklenburg County

COVID-19 & Scouting

We Take This Seriously

The pandemic has changed how we look at den and pack meetings. Many local units have embraced virtual meeting options and the Mecklenburg County Council has provided resources for Scouting to continue to develop our youth through STEAM and virtual activity planning. Our "Scouting from Home" page has a ton of great family friendly activities and information.

Go to mccscouting.org to find out more!

In person meetings and camps are still happening, but at reduced capacity and with safety in mind.

To see all we are doing to keep our families safe, find our COVID Mitigation Plan on our website.
