Crew 0148 Mallard Creek Presbyterian Church	77.8%
Troop 0019 Huntersville Presbyterian Church	77.5%

Training News!

Did you know that there is a section on the JTE form about training? There is! A trained leadership is a happy effective leadership! For Cub Scout Packs there is an entire section where they want to know if your Cubmaster, Assistant Cubmaster, *Pack Trainer*, Den Leaders, and Committee Members are trained! For Troops there is a section for your Scoutmaster, Assistant Scoutmasters, and Committee Members are trained. For Crews there is a section to see if your Advisor, Associate Advisors, and Committee Members have completed training. Keep in mind all of these positions must be officially registered!

Once you have completed your JTE form and have gotten the necessary signatures on your scorecard page, you can take it to the scout shop and get a patch to represent what level your unit achieved! Also, there is a variation on the patch if your unit has 100% participation subscription to Boys Life Magazine.

*Tip: Fill your JTE out a little each month! There is progress that can be filled out each month instead of waiting until the end of the year!
